

# Save The Wave

## Central Colorado Corvette Club

May 2020

Editor: Brodie Garnett

19<sup>th</sup> Issue

# President's Report

**As we approach May**, there is a lot of uncertainty in the world. Virus related stories dominate the news and gives everyone pause for concern. However, in contrast to the dire numbers being broadcasted every day, this situation has also brought out a spirit of compassion and togetherness in many people.

Since 4C was formed five years ago, **our members have been very active at demonstrating their compassionate spirit**. For example, the Grand Lake Corvette Show is held annually by a sister Corvette club who makes sure that all proceeds go to local mountain community charities. 4C has always strongly supported that show and, over the past 4-5 years, has been the single largest group of participants with many of our members purchasing raffles and donating food items or toiletries to help make even a bigger impact.

Aside from supporting other club events whose proceeds go to charities, **4C has also been very generous** regarding donations given directly to charitable organizations. Two organizations that 4C has strongly supported through the years are 9Cares Colorado Shares and Toys for Tots. Other beneficiaries of 4C's charity also include the American Cancer Society, The Fisher House, and the Crisis Center.

While car shows, drives, cars and coffee events, club dinners, and the like have recently fallen victim to Coronavirus related closures, **4C is "turning lemons into lemonade"**. One of our Board members, Barry Hawkins, with his plans for organizing a fun Corvette cruise for members thwarted by the State of Colorado Stay at Home order, instead came up with an alternative plan. His idea was to ask club members to donate to a local charity all of which are feeling the burden of increased demand and diminished donations due to the current economic conditions.

After doing an on-line poll of membership to obtain the necessary approval, **the club is moving forward with a matching donation** (up to a pre-determined limit) that will be combined with member contributions to be given **to the Denver Rescue Mission**. We are calling this endeavor, "Instead of a Fun Drive, How About a Fund Drive."

This action speaks again to the generosity of **our members and their willingness to contribute positively and substantially to our community**. While Corvettes brought all of us together, and despite being "inconvenienced" by having to pause our Corvette themed recreational activities as usual, we have found a familiar way of doing something to help others in a time of great need.

**I wish to personally thank everyone in the club** who has chosen to contribute to this cause. I am also proud to be part of an organization that does meaningful things and more than just "car stuff". Take care and stay healthy.

**Mark Harkleroad**

---

**COVER PAGE:** There have been 16 Corvettes named as the Pace Car for the Indianapolis 500 and a total of 30 Chevrolets. This 500-mile race is currently the world's oldest operational automobile race. Better known as the Indy 500, it is held annually at the Indianapolis Motor Speedway in Speedway, Indiana, an enclave suburb of Indianapolis, Indiana. Due to the coronavirus, the event has been rescheduled for **August 23<sup>rd</sup>**.

---

The Chevrolet brothers were early race car drivers. **Louis Chevrolet** drove in the Indianapolis 500 four times, with a best finish of 7<sup>th</sup> in 1919. **Arthur Chevrolet** competed twice, and **Gaston Chevrolet** won the race in 1920.

**Louis, Arthur and Gaston Chevrolet**

### ***MUSEUM STATUS DURING PANDEMIC***

Early in 2020, the NCM announced its full schedule of on-site events for the year. Since then the NCM's status changed due to the virus pandemic. Consequently, I will be updating Museum events and activities as I receive information, and the following information reflects current scheduling.

**Michelin Bash:** On March 16<sup>th</sup>, NCM announced the Michelin Bash has been rescheduled to May 28-30, 2020. If you have already registered and will attend May 28-30, you don't have to do anything, as registration and other fees will be transferred to the rescheduled event. If you cannot attend, you have until May 7<sup>th</sup> to cancel and get a full refund. The NCM recommends that you log into your account (you should have one if you registered) and cancel. You can also call or e-mail NCM to cancel. I will keep you informed of any further changes. **ONE MORE THING** - don't forget to change your hotel reservations!

**Vettecademy:** An online educational program for children (and interested adults) was recently developed. The Vettecademy offers topics related to Corvette history, the Museum, and other automotive areas with a new video debuting each week on NCM's Facebook page and YouTube. There are 17 episodes currently available as seen below.

- |                                    |                           |
|------------------------------------|---------------------------|
| 1: Corvette Generations            | 10: Corvette Name         |
| 2: The Sinkhole                    | 11: Women and Corvettes   |
| 3: Change Tire                     | 12: The One and Only 1983 |
| 4: Chief Designers of GM/Chevrolet | 13: Car Safety            |
| 5: Early History Of Corvette       | 14: Concept Cars          |
| 6: Corvette Toys                   | 15: Toy Car Wash          |
| 7: Vinny and the Vette             | 16: Horsepower            |
| 8: Oil Change                      | 17: Fiberglass            |
| 9: Corvette Logos                  |                           |

**Fully Vetted:** For Corvette enthusiasts wanting even more deep dives into the history of America's iconic sports car, the Museum launched a second video series, Fully Vetted. New content is posted each Tuesday and Thursday on the NCM website. There are six videos currently available and listed below.

- 1: Harley Earl And Inspiration for Corvette
- 2: 1983 Corvette
- 3: Ed Cole and Zora Arkus-Duntov
- 4: The Greenwood Brothers
- 5: The Entombed Corvette
- 6: A Morrison Memorial

**Online Car Show:** The Museum is hosting an online car show. Entries were opened April 6<sup>th</sup>-12<sup>th</sup>, and winners will be announced April 23<sup>rd</sup> with an online video. Because this was a "Fun Celebrity Choice Show," there were no set criteria for the show.

**NCM Insurance:** The NCM's collector vehicle insurance agency, which helps support the Museum, was launched just over 10 years ago and has grown substantially. Agents are available from 8 am-5 pm CST to answer your insurance questions, give you a quote, and/or write a policy for your Corvette. Save over standard insurance, and, if you are an NCM member, your premiums are even lower. The coverage includes:

Often 30%-50% LESS than standard auto insurance!

**NCM** insures ANY type of collector vehicle regardless of Year, Make or Model (not just Corvettes!).

**Agreed Value Protections** - The agreed value stays locked in for the lifespan of the policy. If ever deemed a total loss this is what you are paid. No depreciation.

**Deductible options** - From \$0, \$250, \$500 and up to help reduce premium.

**One Liability Charge** - Own more than one collector vehicle? No need to pay liability on each one like standard auto insurance.

**Expert Claim Service** - Top notch experts in collector vehicles will guide you through the claim process.

Call 877-678-7626 from 8 am-5 pm CT to speak with one of the 4 in-house agents or visit online at [ncminsurance.com](http://ncminsurance.com). If you do the online option, please keep hitting "NEXT" at the bottom of each page.

**NCM Membership:** Memberships are available on-line or call 1-800-538-3883. Memberships are not transferrable. The membership levels are:

Lifetime - \$2,500

Family - \$100 (\$50 annual renewal)

Individual - \$50

Senior Individual - \$500 for 20 years

The National Corvette Museum now offers a Next Generation Membership. The Next Generation Membership is for children ages birth to 18. The goal is to foster children's interest in Corvette and the Corvette Museum, and to keep the hobby thriving through the Next Generation of members/supporters. The donation is a one-time amount that covers the Next Generation member until they reach the age of 18. Call Member Relations Supervisor Bobbie Jo Lee at 270-467-8833. There are two price brackets, based on the joining age of the child.

- Children ages 0-9 \$400
- Children ages 10-18 \$200

**New Secure Raffle Order Form:** The C8 raffles are still being held. The Museum now offers a secure, barcoded raffle ticket form hiding your credit card information. Under Shop ☐ Raffles, select Enter Interactive Mode. Select your raffle(s), click Learn More and Add To Form. Enter e-mail address and password (first-time purchasers must set up e-mail and password initially). Print barcoded form and mail to NCM to complete purchase. I will appreciate it if you add "sold by and my name" to the form before sending it, and let me know you've included my name. Upcoming raffles include: a "Build Your Own Corvette" on April 24<sup>th</sup> for \$250 (1,500 tickets); a Black Coupe on April 25<sup>th</sup> for \$20 (unlimited tickets); and a Torch Red Coupe on April 30<sup>th</sup> for \$150 (1,500 tickets).

# Merchandise

## Monograms by K&K

**Greg Palmer** and **Kim Allsop** are our new Merchandise Chairpersons for 2020. If you have any questions about merchandise, Greg can be reached at [ccsaint84@gmail.com](mailto:ccsaint84@gmail.com) or Kim at [Kim.allsop@comcast.net](mailto:Kim.allsop@comcast.net). Bozarth Chevrolet pays for a club shirt for each new member. Additional shirts can be purchased by the individual member. K & K Monograms will be closed through April 30<sup>th</sup>. When they re-open Greg will pick up the shirts for our new club members and deliver them to their homes.

[www.monogramsbykk.com](http://www.monogramsbykk.com)

Our club embroidery company is **Mono-grams by K & K**. They are located in old town Parker. K & K started in 2000 with a home embroidery machine and has grown into a successful business today. They are extremely helpful and perform all their embroidery services in-house. Please reach out to them for any embroidery work to be done after April 30<sup>th</sup>.

**Greg**

**Quality Lapel Pins** provides our club name tags. Pictured is the 4C standard club member pin. Each new member is responsible for ordering and purchasing a name tag from the Merchandise Committee.

Quality Lapel Pins is located at 13978 West Bowles Avenue, Building B, Suite 100, Littleton, CO 80127. Visit their website at [www.qualitylapelpins.com](http://www.qualitylapelpins.com) or 303-979-9103.

# SHOW US YOUR CHEVY

## Car Show

May 17<sup>th</sup>, 2020 9AM-2PM

Top Of The Rockies Corvette Association

Online Pre-Registration

Registration Limited to 200 Entrants

[www.torcavettes.com](http://www.torcavettes.com)

**Free Event**

This is an excellent car show held at the Boulder County Fairgrounds. If you would like to attend this show, it is best to pre-register as there is a limit of 200 cars. This show consists of everything Chevrolet. There is no cost to register your Chevrolet. Go to [www.torcavettes.com](http://www.torcavettes.com) Plans are to meet for breakfast at Le Peeps at 7:30 a.m., which is close to the fairgrounds. After breakfast we will assemble in the restaurant parking lot around 8:45 a. m. and drive over to the show together. The show starts at 10:00 a. m. If the show is allowed to proceed I will send out more detailed information. Thank you.

**ABILITY CONNECTION COLORADO**  
*Because Inclusion Matters!*

**BENEFITING**  
**CREATIVE OPTIONS FOR EARLY CHILDHOOD EDUCATION**  
 A PROGRAM OF ABILITY CONNECTION COLORADO

The **Colorado Concours d'Elegance** is **June 14<sup>th</sup>** and is one of the best and biggest car shows of the year! It features exotic and rarely seen cars. Corvettes are always a popular attraction. The 4C is well represented and this year we hope for a big showing.

Pre-registration is required for entrance into the car show. Please go to their web site at [www.abilityconnectioncolorado.org](http://www.abilityconnectioncolorado.org) to register. Registration is \$50 which enables you to enter your car into the show. This year's featured car is the **Corvette**. Another option is general admission for \$10 at the gate, which allows you to view all of the cars and visit with the participants.

More information is to come. We always meet at the McDonalds that is just north of the Arapahoe County Community College on 5900 S, Santa Fe Drive. We have breakfast, then drive in and park together as all Corvettes park together.

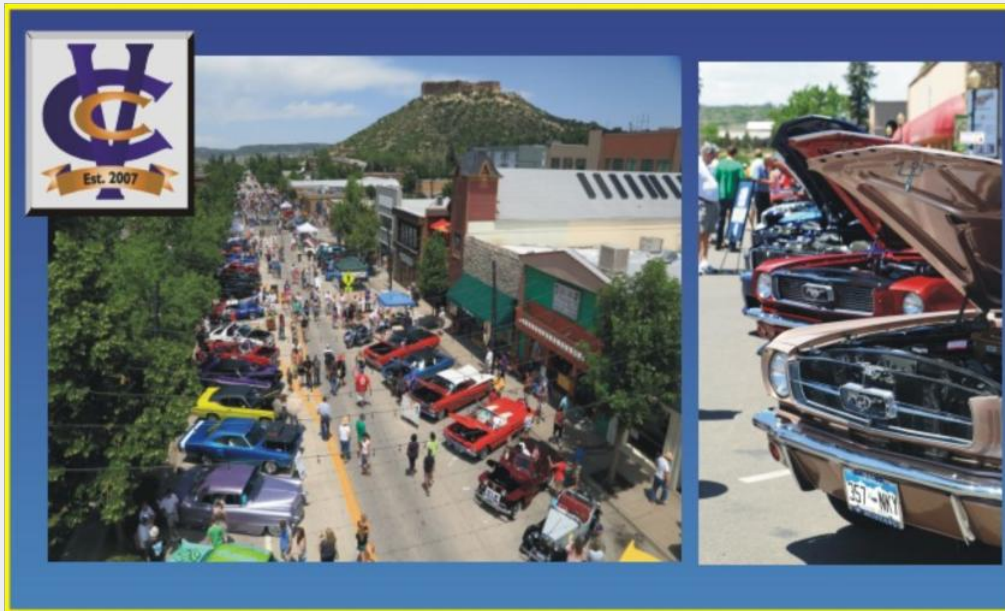

Thank You

Barry Hawkins

Brodie Garnett

## The 12<sup>th</sup> Annual Classic Rock Cruise In Car Show-Castle Rock, Colorado

The 12<sup>th</sup> Annual Classic Rock Cruise In Car Show is scheduled for **Saturday, June 20, 2020** from 10:00 am to 3:00 pm in historic downtown Castle Rock, Colorado. Registration for this event will open on May 1, 2020. Refunds will be provided if the event is cancelled in its entirety due to coronavirus health concern. For more information, contact the Vintage Car Club at their website [thevintagecarclub.com](http://thevintagecarclub.com).

This car show is a summer favorite and is limited to 350 cars and fills up fast. Downtown Castle Rock is closed off for the car show and vendors, and resembles a combination street party and car show combined. Lots of fun!

I will be leading the effort on this one, and like the others, we will be meeting early for breakfast before driving in and parking together.

This is another one not to miss! Registration is open May 1, 2020.

**Barry Hawkins**

Here I am with Mom in our new Corvette.

Now I take the wheel. Hang on!

# 1951 Jaguar XK 120

# 1953 Corvette

Harley Earl of GM selected the Jaguar 120 as the benchmark for the new Corvette. General Motors purchased at least one XK 120 to closely study its design and construction. A sports car like the 120 had never been built by GM, who was the largest car manufacturer in the world at that time. When the two cars are compared there are obvious similarities. One of the main characteristics of the Jaguar is the passion it inspired amongst its followers. Harley Earl wanted to capture that concept. Today's Corvette continues to achieve perhaps the most important of Earl's objectives....that of passion among its owners. **Editor**

**This article is taken in part from the April/May/June issue of America's Sports Car which is published by the National Corvette Museum.**
